BENTLEY

PRESENTING

YOUR BENTLEY
BENTAYGA AZURE
HYBRID

Damson

Damson is a rich colour reflecting an opulent and velvet quality. Inspiration was taken from both heritage and contemporary references, encapsulating the deep tones and subtle sparkle of a rare purple diamond. With a matching metallic exterior paint and interior hide, Damson is a colour which compliments both the Continental range and Mulsanne wonderfully.

YOUR INTERIOR

Interior Colour Split - A in Linen and Damson

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Bentayga are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

Dark Stained Burr Walnut

At the grand age of 80 the Walnut completes its productive life. Hand stained by experts. Dark stain emphasises the natural black colouring, highlighting the intricate grain of Burr Walnut. The subtle finish presents a sportier edge. Classic with a twist.

22" Five Spoke Directional Wheel - Polished

The largest wheels ever made available on a production Bentley, these wheels are machined from a high-strength aluminium forging for optimum strength and lightness. The wheels are handed, ensuring the spokes always face the same direction on both sides of the car.
